Summer Internship Opportunity for Finance Majors

IFT is a leading teaching institute which prepares students for the prestigious CFA exam. It has been 'Approved Prep Provider' by the CFA Institute (USA) since 2013. IFT has over 6,000 international customers from different parts of the world. IFT creates world class finance/CFA training materials and is highly innovative in the way it uses technology and online marketing to grow its business.

IFT is pleased to offer summer internships to qualified Finance majors. To apply for internship positions candidates should have completed courses in: Economics, Statistics, Accounting (or Financial Statement Analysis) and Introduction to Business Finance. Having good computer skills is important.

Internship particulars are as follows:

- Dates:** 25th June 2018 to 17th August 2018.
- Hours:** 40 hours per week
- Stipend:** Rs. 15,000 for the entire period
- Laptop:** Candidates are expected to bring their own laptops
- Work:** You will work alongside CFA Charter holders in creation of CFA exam preparation products. You will be involved in reviewing and editing IFT's video, books and online teaching material. This opportunity will also provide you exposure to various aspects of an international online teaching business.

Selection for internship will be a two-step process. In step 1 students will be asked to sit in an hour-long written test. Based on their performance in the test, selected candidates will be called in for an interview.

Test and information session will be held at IFT center (location provided below) at following times:
(Choose the session which is convenient for you)

1. 4th May 2018 **10:00 AM.**
2. 4th May 2018 **05:30 PM.**

This internship will be particularly useful for those who are considering a career in finance and interested in the CFA exam.

Candidates will receive an experience letter at the end of the internship.

The IFT team looks forward to working with you over the summer.

Sincerely,

Arif Irfanullah, CFA
